Student Membership
(PPA Bylaws, Article VIII, as amended June 2011)

Section 8.2(D) Student Members (Non-Voting). Any person currently enrolled in a formal paralegal program which meets the minimal educational requirements of this Association, or a program which is certified by the American Bar Association, may apply for membership of the Association as a student member as defined herein. A student member in good standing may fully participate in the affairs and activities of the Association and may serve on any Standing or Special Committee. Upon graduation, student members may maintain student member status for the remainder of the current membership year.

Section 8.2(F) Provisional Student Member (Non-Voting). Any person currently enrolled in a formal paralegal program which does not meet the minimal educational requirements of this Association may apply for membership of the Association as a provisional student member. Upon graduation, provisional student members may maintain student member status for the remainder of the current membership year.
