

## Paralegal of the Year Award

In 1997, PPA developed an award to recognize its members' individual commitments and contributions to the paralegal profession.

Each year, the association's members are given the opportunity to nominate individuals for the Paralegal of the Year Award—those paralegals who go above and beyond for their employers, community and PPA. Nominations are screened by the Membership Committee, and the Membership Committee Chair makes a recommendation to the Board for its approval. Past recipients are listed below. Please submit your nominations by November 30th for the 2018's Paralegal of the Year!
